Pending before the Court is Plaintiff’s status report regarding settlement. Docket No. 92. Plaintiff submits that the parties have executed the settlement agreement and are in the process of finalizing other documents. *Id.* at 1. Plaintiff further represents that the parties “anticipate” filing a stipulation for dismissal on or before October 21, 2016. *Id.*

On September 6, 2016, the Court ordered the parties to file a stipulation of dismissal and proposed order in the instant case no later than October 4, 2016. Docket No. 91. The Court further ordered that, if the parties could not comply with that date, they could file a request to extend the date on the docket. The Court construes Plaintiff's status report as a motion to continue the date ordered by the Court.
